Dear Members,

Summer is just around the corner and I am looking forward to it!! I hope everyone is doing well and as our state is opening up I hope you are still being cautious.

I am happy to say we will be having a June Meeting!!!! I am looking forward to our meeting and most of all I am looking forward to seeing you all! I hope you will be able to attend and we can all catch up!

I am proud to announce the latest students to receive the Red River Desk and Derrick Club, Phyllis B. Powell Scholarship, they are as follows:

Allison Hill Chemical Engineering LA Tech University
Cody Long Chemical Engineering LA Tech University
Victoria Carroll Chemical Engineering LA Tech University

Each student will receive \$4,000.0 towards their fall semester and a check has been mailed to LA Tech University. Thank you all members who help out with the various sporting clay and golf tournaments to make this possible. I also want to thank all our sponsors and participants who helped out in 2019.

We have decided not to have our Bunko fundraiser in July and we hope to have the Golf Tournament in October. We did discuss this at the board meeting and thought we should not have it, but after talking to some of our golfers we still have some time to make a decision.

I look forward to seeing you all June 23rd!!!!

Stay safe and healthy!

Bobbie
