April 2022
Presidents Letter

Dear Members,

April showers bring May flowers and all I can say is what beautiful weather, fresh green leaves, a lot of pollen and a variety of temperatures.

The month of March ushered in spring along with Desk and Derrick Awareness Month. I truly appreciate all the members of our club who volunteered and attended our 40th Anniversary Reception. A lovely cake and cookies were decorated and provided by member and past president Bonnie Fish. Scrapbooks from several past presidents provided a wonderful trip down memory lane. Attending our reception were former members along with our valued advisors present and past, and several guests.

April also sends a group from Red River Club to Lafayette, LA for the Southeast Region Meeting scheduled for April 21-24, 2022. I am so glad that we will be meeting in person this year after Covid. This is always a great time to meet up with old friends as well as meet new ones. Great field trips and seminars are planned.

The month of May is very special to Desk and Derrick Club, we present scholarships to well deserving students pursuing a degree in this great industry of ours. Even with a depressed industry we have been and continue to be fortunate to provide scholarship assistance to a handful of college students.

Next Board Meeting will be on Wednesday, April 13 and the Membership Meeting will be on April 26. If you know of anyone who might be interested in joining our wonderful organization, please invite them to a meeting.

Sincerely,

Malissa Carroll

For the March meeting, our club celebrated with a reception held at the Petroleum Club in Shreveport. Red River Desk and Derrick Club celebrated 40 years in action and in service to our local oil/gas/energy industry. Those attending included Kathy Martin and her husband, former members and advisors, current members and advisors, and special guests. I think our attendance was 23 smiling, happy faces. Many pictures, scrapbooks and memories were shared, along with good food and good fellowship.

We were also honored with a special day of recognition by both the City of Shreveport Mayor Adrian Perkins and by Louisiana Governor John Bel Edwards. Those proclamations were read to the group and officially became part of our history.

The evening was a special treat. And it was a great time to begin looking forward and looking hopeful for 40 more successful years! Let's get them educated...

Respectfully submitted,

Susie Baird

OUR MISSION

“To enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy and allied industries through education by using all resources available

OUR PURPOSE

The Association of Desk and Derrick Clubs (ADDC) is a non-profit, international organization. Its purpose is to promote the educational and professional development of individuals employed in or affiliated with the petroleum, energy, and allied industries and to educate the general public about these industries

April 2022

As was mentioned in last month's letter and how hard the board worked to make sure we were operating within our budget, some changes were made that would allow me to visit our regions, these changes did not affect individual services to our membership. At the end of this month I will have the honor of attending the first in - person regional meeting since 2019! My tour of the regions kicks off in Lafayette, LA for the Southeast Region meeting, my next stop will be Wichita Falls, TX for the Central Region and my last in-person meeting will stop at my own region, West, in Amarillo, TX. I will be able to attend the last regional meeting of 2022 in the Northeast at their virtual meeting.

We have many deadlines coming up fast, ADDC nominations, distinguished service awards, tax filings, and then add into the mix preparing for our regional meetings. It seems another year is flying by. If you are not sure what those deadlines may be please reach out to your club president, regional director, committee chairs and even myself. The committee chairs, board and myself are working hard to clean up the website so that more information can easily be found there as well, if you don't see something you need, once again please let us know.

As I look towards our future and being notified of another ADDC club's disbandment this year, I would like to ask that members begin to think about what the future of our organization looks like now, tomorrow and years to come. We are not unique in our decline in membership, I have mentioned many times that other organizations I am in are seeing declines as well. Do we continue on operating as if we have 800 to 1000+ members, or do we find new ways to adapt so our organization does not die? What hard questions we should ask ourselves as clubs start to disband is:

1. Regionals and conventions; as we begin to shrink the burden of hosting a regional or convention gets tougher on regions and clubs, what are some ideas to help ease that burden?

1. What can ADDC do to help clubs and regions adapt new ways of engaging members and bringing in new?
2. What is holding us back from moving to the future?

Simply stating we have some hard times ahead and this organization is built on the strength and hard work of many folks since its inception. They also faced hard decisions that may have caused a "ruckus" but did what had to be done to see this organization thrive! Please don't be afraid that an idea or way to help this organization survive is not a good one just because you are short timer, middle of the road or long timer.

I look forward to seeing everyone at the regionals I will be happy to hear any ideas you may have.

Prayers and Blessings! Philana Thompson pthompson@merrion.bz

To the wonderful members of the Southeast Region,

PRESIDENT ELECT

Barbara Pappas
 Cobra Oil & Gas Corp

April Showers, bring May Flowers....and also brings us together again for the 2022 SE Region Meeting at the Doubletree by Hilton hotel in Lafayette, LA, April 21-24, 2022. Registration packages have been distributed and the registrations have begun coming in! Did you get yours done yet? Don't forget, get your registration in before April 1st and you will qualify for the "Early Bird - \$100" drawing!! Pack your bags and "Come Festival with Us"!

SECRETARY

Wendy Sparks
 Carl E Gungoll Exploration LLC

Everyone should have received correspondence from Evelyn Green, 2022 Southeast Region Nominating Committee Chairman, seeking my successor! Please consider stepping up and, for some, a bit outside your comfort zone, to discover the inner workings of YOUR organization! Don't let your inner fear define your outer presence!!

TREASURER

Heather Woods
 Souder, Miller & Assoc.

The 2022 B&P Highlights by ADDC President, Philana Thompson, along with the 2022 Budget has been distributed and hopefully, everyone can see just how hard your ADDC Board is working for YOU, our members! With declining membership and increased costs due to inflation, it is a very tedious and time consuming task to get a balanced budget!

Speaking of Membership, our association has steadily declined in membership over the past several years and the Public Health Emergency exacerbated an already diminishing number. The most recent Association membership number (including February and a small portion of March) is at 406...a long way from the budgeted amount of 675; however, it is hopeful that those clubs who have not submitted renewals, will do so soon!! If that means you, please make sure you get those submitted as soon as possible! Also, if you have suggestions on how to maintain and grow membership, please share them with me to pass along to others! You never know where the next great idea will come from!!!

CENTRAL REGION

DIRECTOR
