Dear Members,

Welcome to 2025! I'm really looking forward to working with each of you to make this the best year ever for our Club. Let's all step up. Join and work on a committee—club, regional and association. Participate make it a priority to attend our monthly meetings. Please plan to attend the January 28th meeting.

Remember, the deadline for renewing membership is February 28. If you haven't submitted your renewal by that date, you will have to apply as a new member and be approved by board and members again. Dues are \$85, payable to Red River Desk & Derrick Club. Please send payment and signed and dated membership form to Margie Steed, Treasurer, or bring to the Next meeting.

Thank you to all who have stepped up and volunteered to serve on a committee. Again, I look forward to working with you to make our Club the best as it can be.

### Proposed Dates to Be Voted at the January 28th meeting:

#### Board Meetings schedule for the 2025 year (subject to change):

Jan 21	Feb 18	Mar 18	Apr 15
May 20	Jun 17	July **	Aug 19
Sep 9	Oct 21	Nov 11	Dec 9

## **INTRODUCTION TO 2025**

Tonight is our annual induction of board members for the next new year, that being 2025 of course. So Thank you to everyone for coming tonight. It's a good thing to show up to find out just what you're being volunteered for.

In the past...like many years ago in the past, our organization put a lot of emphasis on this particular event. For example, our regional director would travel to our different clubs to introduce each new board member. Often it was with a ceremony of lighting a candle and vowing their pledge to the responsibilities of that position.

We will not be lighting candles tonight nor drawing blood for any pledges. I have had the honor of introducing our next year's board members in the past and would try to make it entertaining for our guests. I don't have a skit and Bobbie wouldn't do a song and dance with me. So if you came tonight looking for entertainment I'm sure I can think of something... I can honestly say I entertain myself daily and laugh at myself.

I hope tonight we can take a minute and realize why we keep showing up. I often study any one of you at opportune times just to see what is creating our backbone. We've been hammered as an industry over the last decade so what makes us keep showing up. I truly believe it's our grit. I feel that most in this room come from a generation of hard work and integrity and an industry that has required grit and backbone. It's also the relationships we've grown as well as the base of friendships that have supported each one of us at different times in our life. So for that, I am appreciative for each and every one of you.

Before introducing the 2025 Board I do want to take the liberty to point fingers at some. She is not here tonight but Sabrina Guillory has kept up with our membership reservations for quite some time. I just want it in writing that we defiantly appreciate the work this takes and that she does it with a smile, a quick wit and always an encouraging note.

We have some awesome members who also contribute their business expertise and/or a monetary donation to a couple of our educational fund raisers. Jean Cooper for example.

Next and She is here tonight so please let her know how much we appreciate all the work she does on getting our Gusher published and gathering information for mass emailing. Thank you Sheryl.

It is not my intention to leave anyone out, we are a small village of doers.

Some of our doers are called Directors. Volunteering for a 2<sup>nd</sup> year is Linda Porter. She is not here tonight but is recovering from surgery and I know this woman's backbone will be back very soon.

Arlys Milan is returning as a director for 2025. Another true grit individual that will surprise you at any given moment with her quick wit and determination.

Margie Gay has also volunteered to a director in 2025. To be around her and Linda Porter at the same time is most definitely a treat and entertainment.

Another volunteer for director is Dorothy Semon. If you don't know her you have been living under a rock. She has been our parliamentarian and will now also serve as a director, which she does very well. Dorothy is a staple to our fabric.

Ladies, you have volunteered to keep us all in line, to speak freely, give your opinions and do everything others are unwilling to do.

### **INTRODUCTION TO 2025**

continued

The position of Treasurer will be filled for her second year and I'm not too sure about this one but I do know she believes  $2 + 2 = 5$ . That would be Margie Steed. Her infamous words are "remember I'm a volunteer:

Susie Guyer will be taking our minutes as Secretary. Susie always brings her positive vibes, and to the best of my knowledge she has never falsified, bleached or shred any valuable information so I am once again thrilled to share board meetings again with her.

Speaking of positive vibes, our Vice President position will be filled by Bobby Trust. She has a hard time saying no and her enthusiasm is contagious.

Our 2025 leader, commander, kingpin will be Malissa Carrol. Missy we thank you for volunteering to be our President and to take us into the unknown.

The unknowns are typically quite small while the knowns are the same as they have always been. We sell ourselves on the idea of continuing education, community projects and fundraising that supports our educational scholarships along with other endeavors.

I hope for 2025 that we continue to see the value of this organization that was founded by an industry of true grit individuals and that we as a smaller group continue to realize the value of what we have together but we have to work together. There are a lot of bases to cover and I sure hate to see Bobbie volunteer for yet another task because no one else will.

### *Honorary Advisor*

Our December membership meeting had a special guest invited for a very special purpose. He has been a very important part of Red River's history and success. He is a native of Shreveport and graduated from Byrd High School. He played on the tennis team and the football team while attending Byrd. He then attended Louisiana State University in Baton Rouge and earned a degree in Petroleum Engineering. It is evident how proud he is of his alma mater. He is currently the Chief Operations Officer for Petro-Chem Operating Company located in Shreveport, Louisiana. Byron has hands-on field experience with an expertise in drilling, completion and production.

While serving as an advisor to Red River in 1990-1992, and brought his date to a Red River membership meeting. She later became his wife and she has been instrumental in keeping Red River alive. She has been an extremely active member of Red River serving as President of the club more than once as well as other Board positions and also as Regional Director. This power couple is Byron and Bobbie Trust.

Byron has served on the Board of The Petroleum Club of Shreveport and the Mardi Gras Centaur Board. He was a Duke in Krew of Centaur in 2003, King in 2005 and Captain in 2022. Recently, he was appointed by our current Louisiana Governor Landry to serve on the Board of the Louisiana Professional Engineering & Land Surveying Committee. He will serve a six year term.

Byron and Bobbie have been married for 32 years and have two children and one granddaughter, Gabriella. Byron has been an integral part of Red River and has assisted in many fundraisers, program speakers, field trips, and supported us in so many other ways. We are pleased to offer and more pleased that Byron accepted, our proposal to bring him in as an Honorary Advisor for Red River Desk and Derrick Club. We thank Byron for all of his support, not just to his wife Bobbie, but to our membership purpose.

January, 2025

Happy New Year and Welcome to 2025!

Hope each of you had a wonderful holiday season, enjoyed time with loved ones and made it on Santa's Nice List! 😊 It is truly an honor and a privilege to serve as your 2025 ADDC President with an amazing 2025 ADDC Board - all here to serve YOU the members! As we usher in 2025, I am filled with enthusiasm and optimism for what this year holds for our Association!

A HUGE shout out to Wendy Sparks and the 2024 Board for their insight and service. Wendy has led with grace and stewardship and her guidance has provided the Association with a solid base to begin 2025! Let's start the year off right and ensure everyone has submitted their ADO31 form to identify new club officers!

We are currently 602 members strong (w/1 student) and membership renewals have been distributed to all club presidents. Let's set a goal to have 100% renewals and grow by 5% - that's only 30 members! Together, I am certain it is achievable. Please remember that all membership forms are due to ADO no later than February 28, 2025! It is imperative that we receive renewals as soon as possible in order to prepare an accurate budget for the year!

Speaking of budget, the 2025 Budget and Planning Meeting is scheduled for Saturday, January 25, 2025 via Google Meet. If you have anything you would like to have brought before the Board, please contact your Region Director.

Thank you to everyone who has stepped up to serve on the 2025 ADDC Committees, both as Chair and/or as region representatives! Our organization is stronger because of your commitment! If you ever wanted to "dip your toe" at the Association level, a committee is a great way to do it! You can find a full description of each committee on the ADDC website at ADDC.org.

As I step into the role of 2025 ADDC President, I am thrilled to represent our outstanding members and lead us into a year filled with promise and potential. Together, we will strive to achieve our goals and foster growth within our association and industries. Your support and participation are key to making 2025 a year to remember.

Looking forward to a GREAT year!

Yours truly,

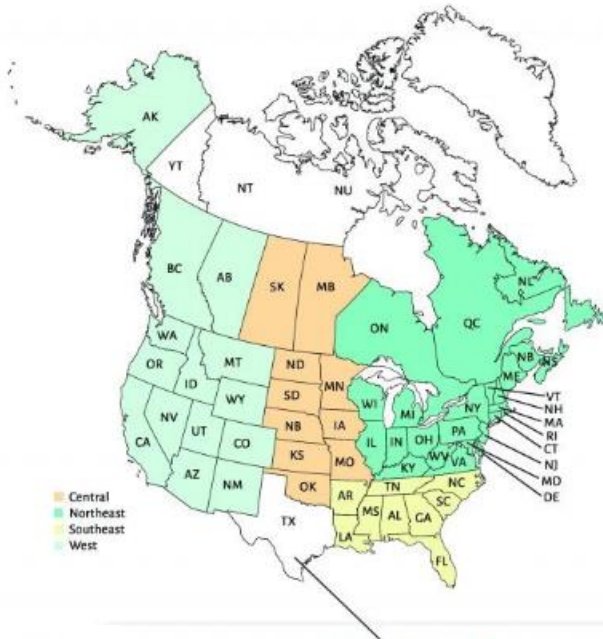

*Kathy Martin*

January 2025

ADDC Southeast Region Members,

Happy New Year! It is my honor to serve as the 2025 Southeast Region Director.

**Have you heard the BUZZ? Desk and Derrick is the BEES Knees...** will serve as my theme for 2025. Folklore holds that the bee symbolizes service, and their movement from one plant to another symbolizes the interconnectedness of all living things. Bees are social and the health and success of the hive depends on the interaction of the bees, just as the success of our clubs depends on the interaction of our members. A solitary bee cannot thrive on its own, and we have witnessed this in our organization. It is important that our members support and encourage each other to ensure our longevity.

I was invited to install officers for the Westbank, Baton Rouge, New Orleans and Lafayette clubs in November and December. I'm so sorry that I was not able to make the November meeting for Westbank, but plan to visit with them during the upcoming year. I enjoyed "Bee-ing" involved in the installation of officers for 2025 for Baton Rouge on December 5th, New Orleans on December 12<sup>th</sup> and my club - Lafayette at our regular meeting on December 18<sup>th</sup>.

We are planning our Virtual Region Meeting in April. More to come on the exact date and details.

Volunteers are needed for several committees for our Region. I will be emailing the Presidents to solicit volunteers.

The ADDC Board of Directors will hold the 2025 Budget and Planning Meeting on January 25th. Please let me know if your clubs have anything that needs to be added to the budget for 2025.

Thank you to Angie Corvers, 2024 Southeast Region Director, for all her hard work and for spicing up our life with Desk and Derrick!

Looking forward to a great year!

Warmest Regards,

*Jennifer*
