## RED RIVER PRESIDENT'S LETTER

RED RIVER DESK & DERRICK CLUB

2025 MARCH

Dear Red River Members,

Spring is just around the corner and I am so ready for it!! March is Desk and Derrick Awareness month. Let's keep up the hard work, I know it hard to get new members, just keep trying. The members we have are what keeps our club going and I am very proud of each of you that work hard to make that happen. I am so glad to be a part of this great Organization. This year's SE Region meeting will be held Saturday, April 22, in San Antonio. This meeting will be a combined Zoom/In Person Meeting. I will be hosting a Brunch at my house, 1166 E. Kings Highway, Shreveport, LA 71105. Unless boundaries change, Red River Club will be next in line to host in 2026.

The program for the March Membership Meeting will be presented by member Judy Sneed who works with the Louisiana State Oil and Gas Museum in Oil City, LA. Northwest Louisiana definitely has some of the greatest oil and gas history in the United States. This should be a really fun and interesting presentation. Scholarship letters will be forwarded to the customary universities, and we anxiously await the students' applications. If you know of any college junior or senior who is in the process of earning a degree in a field (i.e. chemical engineering, geology...) that allows them to seek employment in the energy industry, please contact them to make sure they are aware of the scholarships we offer. One of the best and most important thing we do is offering support and encouragement to the students who represent the future of our industry.

Red River Invitational Golf Tournament will be celebrating its 25th year. The tournament will be held Thursday, May 15th, at The Club at Huntington Park. We intend to try to make it a celebration so volunteers will be needed.

Happy St. Patrick's Day

Missy

# RED RIVER DESK AND DERRICK CLUB

FEBRUARY 25, 2025

## MEMBERSHIP MEETING MINUTES

The Red River Desk and Derrick Club Membership Meeting was held Tuesday, February 25, 2025, at the Petroleum Club. The meeting was called to order at 6:46 pm. In attendance were Malissa Carroll, Sheryl Cole, Jean Cooper, Susie Guyer, Arlys Milan, Linda Porter, Judy Sneed, Margie Steed, Stephanie Stuart and Bobbie Trust. We did have a quorum present. Also attending the program portion was advisor Byron Trust, as well as 1 guest speaker for a total of 12 in attendance.

The program for the evening was presented by Raymond Regard from Regard Resources. Regard Resources is a natural gas processing company. Regard has a large selection of gas plants and equipment in inventory which are used to clean and separate the different components of natural gas to be ready to sell. They can sell or rent to customers and will service the equipment in either case. Quoting from Regard's website: "We have enjoyed international recognition as a reasonable, reliable, and responsive source of professional engineering, design, procurement, installation and operation of Joule-Thompson units, refrigeration systems, amine systems, dehydrators, and associated processing vessels." Our members learned that natural gas has many components that serve different purposes including liquid natural gas, propane, butane and methane, just to name a few. I have to say I did not understand all the information but I understand it a little more now than I did before the presentation. Thank you Raymond Regard for your patience with our questions and for being a part of our Red River Desk and Derrick Club.

The January Treasurer's report was emailed by Treasurer Margie Steed on the 24th. No corrections were necessary. The report was unanimously accepted and will be filed for audit.

Minutes from the January Membership Meeting were provided. There being no discussion, a motion was made by Bobbie Trust to accept them as written, and Arlys Milan seconded the motion. A unanimous "aye" passed and minutes will be filed as presented.

Membership renewals as of this meeting stand at 19. The 50/50 fundraiser brought in \$30, with Susie Guyer having the winning ticket to take away \$15. There was no correspondence to present.

Members were reminded of some old business:

1. Red River Invitational: The tournament will be held Thursday, May 15th, at The Club at Huntington Park. We will serve barbeque lunches this year. But we really need another food trailer sponsor for out around the course. This will be the 25<sup>th</sup> year for our RRI tournament. We intend to try to make it a celebration.

# RED RIVER DESK AND DERRICK CLUB

FEBRUARY 25, 2025

## MEMBERSHIP MEETING MINUTES

2. Southeast Region Meeting: The meeting will be held virtually again this year on Saturday, March 22nd. Missy Carroll will host a viewing party at her home that morning, with a potluck brunch. The actual meeting will be in San Antonio, TX, and will be hosted via Zoom. Unless boundaries change, Red River Club will be next in line to host in 2026.
3. The 2025 ADDC Convention will also be held in San Antonio, TX. Those dates are September 16-20, 2025.
4. We will continue to gather school supplies for Mooringsport, LA schools. We decided to do this in May-June so we could have the supplies to the teachers by the time school starts in the fall.
5. Our fall toy drive will be for St. Jude Children's Hospital for Children in Shreveport. We have been told that many of the children do not have family nearby and the staff use their own money and resources to make Christmas good for these children. These toys will be gathered during September and October meetings. As a side note: St. Jude Children's Research Hospital is an affiliate of LSU Health in Shreveport.

The program for the March Membership Meeting will be presented by member Judy Sneed who works with the Louisiana State Oil and Gas Museum in Oil City, LA. Northwest Louisiana definitely has some of the greatest oil and gas history in the United States. This should be a really fun and interesting presentation.

There being no further business to discuss, the meeting was adjourned at 6:58 pm.

Respectfully Submitted by  
Susie Guyer, Secretary

# RED RIVER DESK AND DERRICK CLUB

## Notes from the Editor

Continued Prayers for LaVerne Broussard, Dorothy Semon, and Phillip Semon

A reminder the cost of the meals at our membership meeting has increased to \$26.00, please make a note of this. Also, there is a standing reservation form included in this edition, please feel free to fill it out and send to Bobbie Trust.

Please be considerate and notify Bobbie Trust if you are attending the membership meetings if you do not have a standing reservation. The Petroleum Club meeting room has to be set up for tables and dinners prior to our meeting and it is so much easier when we are adequately prepared.

**ATTENTION, WE ARE ACTIVELY LOOKING FOR SPEAKERS FOR OUR MONTHLY MEETINGS IF YOU KNOW OF SOMEONE PLEASE LET CONTACT BOBBIE TRUST— [bobbie.trust@comcast.net](mailto:bobbie.trust@comcast.net)**

## PURPOSE OF RED RIVER INVITATIONAL

In 1997, Red River Desk and Derrick Club, a 501c3 organization, (Federal I.D. 72-0947732) established the Phyllis B. Powell Scholarship Award to honor one of its former presidents whose dedication to the pursuit of an education was an inspiration to all. The Award provides scholarships to qualified college juniors and seniors majoring in oil, gas and/or the allied industries and is funded from members, other interested individuals, companies, fundraisers, and memorials. It is presented each May at the Industry/Adviser Appreciation Banquet, and 139 students attending twelve area universities have received the award over the past twenty-four years. An Essay Contest for middle school students is held annually as well. Desk and Derrick members are also encouraged to attend seminars to further personal and professional education.

**Please complete the form below and return with your check made payable to Red River Desk and Derrick Club. Mail to Red River Desk & Derrick Club, ATTN: Bobbie Trust, P. O. Box 1863, Shreveport, Louisiana 71166-1863.**

March, 2025

Top of the Morning to ya and Happy Mardi Gras!

First, THANK YOU, to all members who participated in the ADDC Survey presented in February regarding organizational realignment and participation in Region and Convention meetings. There were 165 responses to the 4 question survey with pretty even results (see below). It is very important for the Board to hear YOUR voice on issues that matter, so please keep up the great work and participation.

Membership renewals are rolling in and I am so proud to see that as of February 24th, we had 336 members (including several NEW members!) with several clubs still outstanding! We are well on our way to reaching the budget number of 581 (really hoping for higher), so keep those renewal forms coming! Please remember that the deadline for renewals is February 28, 2024, but, if for any reason, your club is having difficulty making the deadline, please let your Region Director know and get them submitted as soon as possible. Also, if you have not already done so, please send an electronic copy of your membership submittal forms to Evelyn Green, Membership Chairman, at [evjelou47@hotmail.com](mailto:evjelou47@hotmail.com).

The Association finances have been converted from Quickbooks Desktop to Quickbooks online and the transition went very smoothly! The 2024 FRC Committee should have their final reports prepared shortly and, once approved, will be distributed to membership! Please remember that the Association finances are NEVER to be published (including bulletins, letters, etc.) and should only be reviewed.

The 2025 ADDC Convention to be held September 16-20, 2025 at the Estancia Del Norte hotel in San Antonio, TX is going to be one you don't want to miss! Packages should be going out soon and with a hotel rate of \$150/night for single to quad, make your reservations today using this link: [Estancia Del Norte Reservation Link](#) (Group Code (if you call hotel directly) is DDCA! Can't wait to see you all there!

Until next month...

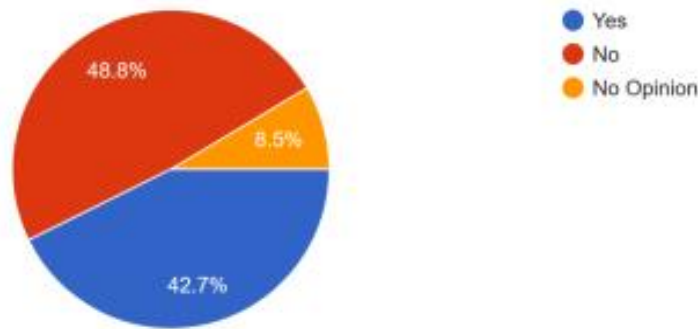

Yours truly,

*Kathy Martin*

*"If you're not getting outside of your comfort zone, then you're not growing." Chad Foster*

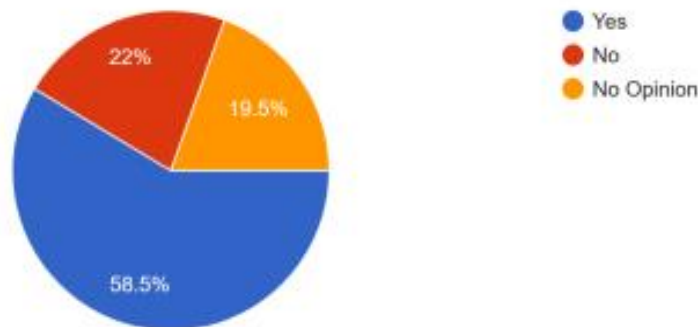

Do you support the recommendations outlined in the Ad Hoc Committee letter which includes the elimination of Regions and introduces the club liaison board positions?

164 responses

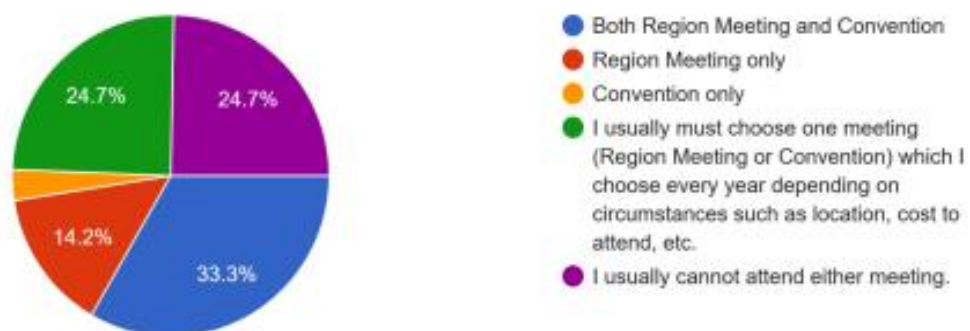

Would you support an alternative solution which realigned the region structure to absorb the three Northeast Region clubs into the remaining three Regions?

164 responses

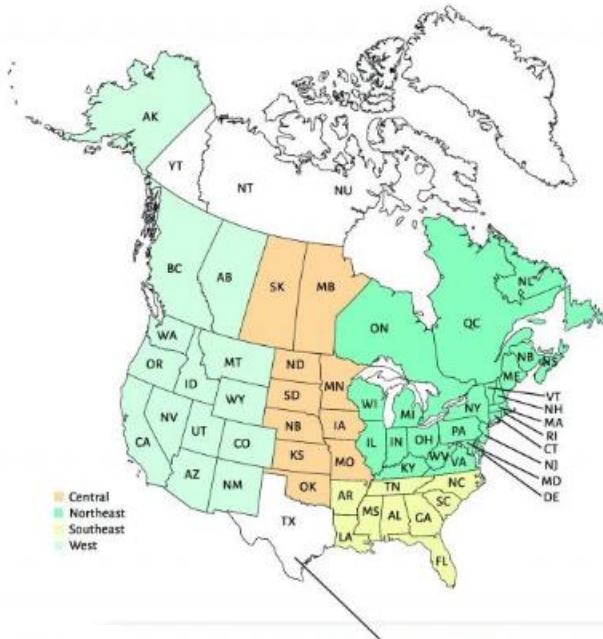

In any given year, do you typically plan on attending:

March 2025

ADDC Southeast Region Members,

March is already here, and here in South Louisiana we are in full Mardi Gras mode.

The Southeast Region Meeting will be held on **Saturday, March 22, 2025** (9 AM – 12 PM). The San Antonio club will host, and all clubs are welcome to attend. The meeting will also be offered as a virtual format to clubs and members that are not able to travel for the meeting. There will be a few traveling from the Victoria, New Orleans and Lafayette clubs to attend the meeting in person as well as the San Antonio club. I am looking forward to seeing everyone in person and on the computer! Since we are doing the Region Meeting in March, please note that we will not meet again at the ADDC convention in September like we did last year in Dallas.

The nominating committee (Judi Adams, Melissa Thibodeaux & Dianne Badeaux) is working to find the 2026 Southeast Region Director. Please consider serving in this capacity and be sure to reach out to them if you are interested or if you know of anyone that would like to serve as Region Director in 2026. We have many qualified candidates in our Region that would make a great Region Director.

The hotel reservation link for ADDC Convention in September has been sent out. Be sure to book your rooms!

I still need Region Reps for the following committees:

- Guidelines Review
- Tax Exempt – US
- Contest

Please let me know if you are interested in serving our region.

Remember, it takes all of us to BEE successful.

Warmest Regards,

*Jennifer*
