April 2026

Happy Spring, Happy Easter, and Happy Everything

As they say, "Time flies when you are having fun"! It is hard to believe that it is already April and for some parts of the country, spring is in the air! Now that being said, in other parts Mother Nature forgot to read her messages and she continues to have winter weather thrusts upon it – snow, ice and more snow! I will tell you that Deep in the Heart of Texas – spring might last for one or two days if you are lucky, then summer arrives.

It is time for Region Meetings and Central Region under the direction of Jamie Gilmore, held their meeting in Wichita, Kansas – March 26-28, 2026, hosted by the Wichita Desk and Derrick Club. A rousing success. Congratulation Jamie and the Central Region.

Southeast Region Meeting with Malissa Carroll, Regional Director, at the helm will be held in Bossier City, Louisiana April 17-18, 2026. This will be a hybrid meeting, with the members of Southeast Region who cannot attend in person, able to be a part of the meeting through Zoom. If you are interested, please contact Malissa for all particulars.

The West Region Meeting will be held in Roswell, New Mexico with Carrie MacMullin, West Region Director leading the way. By all means, if you have never visited another Region's meeting – this would be a wonderful time to take that opportunity. Registration packets are available on the ADDC Website.

Shelly Hildebrant, Northeast Region Director, will conduct a Virtual Meeting on Saturday, May 2nd, with the members of the Northeast Region. This will be held by Zoom or Team Meets.

It is important to all clubs to remember that your Club's renewals have been submitted to ADO before your Region Meeting. If your club dues HAVE NOT been submitted, your delegate to the Meeting will not be able to vote – Your club is considered "not in good standing" according to the Association Bylaws. Any delegate who is not active (dues not paid) will not be able to cast any votes at the Region Meeting.

On another important topic - please be sure that your TAX1 forms have been completed and submitted to IRS no later than **May 15, 2026**. Please be sure to forward a copy of your forms to the Tax Exempt Committee (US Chairman, Heather Woods; and CDN Chairman, Wanda Guenther) If you have any questions regarding the forms to be completed, contact your area Chairman.

The ADDC 2026 Convention, to be held in North Canton Ohio on September 16-20 at the Embassy Suites by Hilton. Room rates will be \$159/night for single, double, or triple. Mark your calendar now! Registration packets will be coming out soon – the GACs are working diligently on this to send out shortly.

And – don't forget about the **75th Anniversary Pin Design Contest**. If you are creative, artistic, have a vivid imagination – then this is for you. Design a Convention Pin that will be given to members at Convention this year. The winner of the pin design will receive a FREE registration to the 2026 Convention – note this will only cover the actual registration fee. Any field trips and/or seminars that the winner wants to attend is not covered. Deadline is June 30th with the winner being announced July 15, 2026. All entries are to be emailed **prior** to June 30, 2026 in .jpg file form to me, at 2026ADDCpresident@gmail.com Hopefully you received the notice from ADO – but if you did not, don't hesitate to contact me.

Each year we worry about our declining membership numbers. For assorted reasons we see members who have left the industry – but remember they don't realize that they do not have to be actively employed in the oil and gas and allied industries to be a member? Membership is also available to individuals that are interested in learning more about this great industry of ours. Maybe you know someone like this – take a chance and invite them to your meeting. You might just be surprised who will join you. Just to keep you updated, as of March 31, 2026, our membership is currently at 398. If you have any innovative ideas of how to grow our membership, send me an email so that I can share with other clubs

Hugs to each of you,

Evelyn

Southeast Region Director’s Letter April 2026 Letter

Dear Southeast Region Members,

Spring is in full bloom, and with it comes an exciting month for our region! April is shaping up to be a time of connection, learning, and exploration as we gather for our Southeast Region Meeting in Shreveport–Bossier City. I’m looking forward to seeing many familiar faces and welcoming new ones as we come together to share ideas, celebrate our successes, and plan for the months ahead.

One of the highlights of our upcoming meeting will be our field trips, offering a chance to explore some of Louisiana’s unique treasures. We’ll journey to the Louisiana Oil and Gas Museum in Oil City, where history and innovation meet in fascinating ways, and to Walter B. Jacobs Memorial Nature Park in Blanchard – an opportunity to experience the beauty and biodiversity of our region firsthand.

These experiences promise not only enjoyment but also a deeper appreciation for the culture, industry, and natural heritage that shape our Southeast community. I encourage everyone to come ready to engage, learn, and connect.

Thank you for your continued dedication and enthusiasm for our region. I can’t wait to see you all in Shreveport–Bossier City and make this month one to remember!

Warm regards,
 Missy Carroll
 Southeast Region Director

Southeast Region Meeting

Theme: “Let’s Grow Together”

Dear Southeast Region Members,

On behalf of the Southeast Region, it is my sincere pleasure to welcome you to our Southeast Region Meeting, hosted in the beautiful cities of Shreveport and Bossier City.

We are excited to gather under our theme, “Let’s Grow Together.” Growth happens when we connect, collaborate, and cultivate new ideas. This meeting is an opportunity for us to strengthen professional relationships, share industry insight, and continue building a strong network of women and men in the oil and gas industry across our region.

On Friday, we look forward to engaging field trips that highlight the rich history and environmental stewardship of our area. We will visit the Louisiana Oil and Gas Museum, where we will explore the deep roots and lasting impact of our industry. We will also visit Walter B. Jacobs Memorial Nature Park, a beautiful reminder of the importance of conservation and sustainability in the communities we serve.

Our Business Meeting on Saturday will provide time for important discussions, regional updates, and collaborative planning as we continue moving our organization forward. Your voice, leadership, and participation are essential as we grow stronger together.

We hope you enjoy not only the fellowship and learning opportunities, but also the hospitality, culture, and spirit of Northwest Louisiana. May this weekend inspire fresh ideas, renewed purpose, and deeper connections.

Thank you for your commitment to our organization and to the advancement of women and men in the oil and gas industry. We are honored to host you and look forward to a productive and memorable Southeast Region Meeting.

Sincerely,

Malissa “Missy” Carroll
